With the end of school, and the beginning of swim team practice, I’d like to remind all drivers that the speed limit in Village Green is 25 mph. And please be especially cautious around the swimming pools.

The Board continues to receive complaints regarding subdivision violations like automobiles parked on grass lawns. In response, we will begin sending notices to the homes of those in violation... and will follow-up in person if the violation continues. If you need to refresh your memory about the Village Green By-Laws, and Covenants and Restrictions, please refer to the Village Green Website at www.VillageGreenWeb.com. Click on the tab at the top of the page marked “About Us”, then scroll down below “Additional Resources” in the paragraphs. There is a link to the Covenants and Restrictions, and By-Laws. I also get calls about residents not cleaning up after walking their pets. Be considerate of others and pick up after your pet. Pet waste also provides a breeding ground for flies, and spreads other disease. So please, carry a bag with you when walking your pooch.

Remember that all fences and other structural modifications need to be approved by the board, or by Richard Green, who has been handling approvals for 25 plus years in Village Green. Submit a copy of the proposed addition or modification, to the Board of Directors by mailing it to P.O. Box 22117, Knoxville TN 37933. Or drop it in person to a VG Board member. Structural modification changes need to be submitted to Richard Green, and he will advise whether a trip to Farragut Town Hall is necessary.

Board meetings are held the second Sunday of the month, at 7:00 p.m., unless that’s a holiday. If you would like to attend a board meeting, please come to the clubhouse at 7:00. If you have an item for the board’s attention, please email Cindee Miller, president, at cindeemiller@charter.net. I will put you on the agenda for the next meeting.

Paulette Aaron will be reprinting the Directory of Residents and Addresses soon. If your information has changed, please email her asap to get the most up-to-date information. The directory is printed infrequently, so don’t miss this opportunity to list your info. Her email address is paaron@tds.net.

Have a great summer...and drive safely. Village Green is such a fabulous place to live - let’s keep it safe for the kids and animals.
Sincerely, Cindee Miller cindeemiller@charter.net

**Square Dancing!**

Hey folks, thanks for your responses about the square dancing. Keep those email messages coming! We’ll be participating in a beginner’s square dancing class in September on Tuesday evenings.

**Assessments:** The amount now due for an unpaid 2007 assessment is $237.70.
VILLAGE HAPPENINGS

**GATORS IN THE WATER!!**

Village Green Swim Team begins practice Wed, May 30. The swim practice schedule is:
- 8-9am 10 and under
- 9-10am 11-12 year olds
- 10-11:30am 13 and up
- 11:30-12:15pm all rookies Mon-Thurs only

Green forms are due May 31st. Remember to check your family folder daily! Coaches Anita, Robin, Boogie, Cheryl, and VG's own Ben Lawson will be instructing and encouraging a team of almost 200 swimmers. We have 2 home meets this summer:
- June 7: Green & White Intrasquad—5pm
- July 12: Sevier Aquatic Club at VG,—5:30pm

Please come out and support our swimmers! Remember to be careful and slow when driving during practice times as well as our swim meets–there will be many swimmers crossing streets, etc.

**GO GATORS!!**

---

**SUMMER WATER CLASSES**

Ms. Sherry’s official swim classes will begin June 21st. There will be some limited introductory lessons here and there in the meantime. I am preparing to host a family reunion (45 people) mid-June and there are many pool parties scheduled for the first few weeks of June, so please use email to register your child or to have questions answered. Please include the names, ages, ability levels, address, phone numbers including cell, dates your children will not be available, and the best time for lessons for your family—morning, afternoon or evening.

Lessons will be scheduled for Monday, Tuesday, Wednesday & Thursday mornings and afternoons. Evening classes are available on request.

Infant/toddler classes which involve the parents or at least one parent or grandparent in the water with the child will be available also. There is a strong possibility that a morning and an evening baby class might be offered this year. The tentative time for the morning class would be 9:30 AM Monday–Thursday with a make-up day for rain-outs being Friday morning. The infant/toddler evening class is tentatively scheduled for 6:00 PM Monday, Tuesday and Thursday.

Water aerobics is tentatively being scheduled for 7:00 until 8:00 Monday, Tuesday and Thursday evenings. As with the other classes, please register or request information via email when you can.

Thanks so much. Have a fun and very safe summer! Watch those little ones closely by the pool.
