Village Green Swim Team

Gator News

The Village Green Gator Swim Team has finished another incredible season!! We competed in the Smoky Mountain Invitational Swim Meet and WON FIRST PLACE!! At SMI, 29 teams competed, with over 1500 swimmers, age 5-18, putting forth their best efforts. Our season ended with the Greater Knoxville Interclub Swimming Association (GKAISA) City Meet, held at the UT Aquatic Center. The VG Gators finished 3rd over all, with 33 teams and over 2,000 swimmers represented. Way to go Gators!!

Village Green Swim Team has been in the top GKAISA league for the past 9 years. We are made up of 96% summer swimmers, and compete against teams in our league that are comprised of more than 50% year round swimmers. But our team is more than just swimming. We hosted a carnival, a trip to White Water (Atlanta), a beach trip, a float in the Farragut 4th of July Parade, and a Swim–A–Thon. We have great coaches, great swimmers and great parents. Our team has spirit, dedication, discipline and a lot of fun. Many life lessons are learned by our swimmers at our neighborhood pool.

Many thanks to the neighborhood, and especially the neighbors around the Monticello pool. There is room on the team for you next summer...contact Patty Zetterberg (671-7854) if interested.

GOOOOO GATORS!

If you are new to the neighborhood, please contact Cindee Miller (643-6633) to be visited by a greeter and added to the directory.

**VILLAGE GREEN WOMEN’S BIBLE STUDY**

The Village Green Women’s Bible Study will begin its eighth year on Wednesday, September 12th at 9:15 a.m. at the Village Green Clubhouse. Are you worn out from trying instead of trusting? We’ll be discovering what it means to experience the victory that comes from knowing our identity in Christ and letting Him live His life through us. Our material is *The Grace Walk Experience* by Dr. Steve McVey. It consists of eight video lessons with a workbook. If you are interested in learning more about Dr. McVey and the study, check out www.gracewalk.org.

If you are interested call Paulette Aaron @ 966-3260 (e-mail-paaron@tds.net) or Lee Graham @ 675-4604 (email-grahamrj@tds.net) to register and sign up to order a workbook or get more information.
