Dear neighbors:

Knox County Sheriff’s deputies while off duty began patrolling Village Green in September. There have been reports by members and the board of increased visibility of patrol cars. I personally saw on two consecutive days deputies that were not on our schedule for those days. Please let your board know if you are in favor for these patrols to continue as this will be a budget item for 2009. Lieutenant Frazier of KCSD mentioned that his officers had noted there were some homes that had their garage doors open at night and there were areas that had virtually no lighting. This is an invitation for trouble. Please secure your home and neighborhood by closing your garage and leaving on a porch light or replacing the light at your curb lamp post.

There has been another burglary and an attempted break-in so please be careful.

Looking forward, please consider serving your neighbors by volunteering to accept one of the following open positions for 2009-2010.

- Assessments
- Buildings/Grounds
- Clubhouse/Tennis
- Pools - Monticello Dr.
- Social/Community
- Vice Pres./Safety & Security
- Men’s Tennis League

If you would like information on the associated duties of these positions, please contact the corresponding persons shown on the left margin of this page.

VG Greeters Needed
The neighborhood needs 2 more greeters to welcome new residents. I sincerely appreciate the responses I have received. It is an easy task for ladies who like to meet people. We only ask for adult and children names and phone numbers for the directory. You would be supplied with copies of “Restrictions & Bylaws” and the directory (when published) to hand out.

Two streets still need coverage:
* West end of South Monticello Drive
* Beacontree Lane & 312-353 Russfield Dr.

Contact Dick Woodring, 966-5524 or dicawood@tds.net.

Obituaries

Margaret Brakebill
She died in August after battling cancer. She became widowed on Georgetowne and, in retirement, she volunteered as purchasing agent for Hospitality Pantries for many years.

Mabel Hazlett
She died August 5 at Caris Hospice. Our sympathy is expressed to Martin Hazlett, both having lived on Beacontree for 20 years and she served on the VGHA Board at one time.

Security

The Sheriff’s deputies began their patrols this month and have observed two security faults:

♦ Several garage doors have remained open at night.
♦ Front and back yards are very dark; night lighting is suggested.

No incidents reported.

Pet Control

One lady has complained regarding a cat stalking birds at her feeder. Cat owners could place a bell around their cat’s neck to warn birds away.

Another lady that walks her two leashed dogs is being harassed by a threatening dog at the northern area of Dominion Circle. This dog’s owner and all dog owners are respectfully requested to control any dog that becomes aggressive around strangers.
