Dear Friends and Neighbors:

As president of the Board of Directors of our HOA, one of the most common telephone calls that I get from homeowners concerns door-to-solicitation and solicitation in our neighborhood. Occasionally these sales folks are inappropriately aggressive, or come at inappropriate times, and sometimes just seem to be casing properties. Last year the Board of Directors approved “No Solicitation” signs for the neighborhood and Kelly Clancy followed up with ordering three very attractive signs which are posted now either above or below the “neighborhood watch” signage at the Old Colony, Village Green Boulevard and Russgate entrances. Like you, I still want my local girl/boy scouts to come by with cookie/popcorn offers and I hope to see FHS band members delivering fresh fruit boxes at Christmas. But if you don’t want to deal with home solicitation at all, please reference our neighborhood’s “no solicitation” policy and the fact that Village Green is posted with signage to that effect.

We still have homeowner assessments for 2009 which have not been paid. If you have not paid your annual assessment give Michele Stockdale a telephone call right away to arrange payment. It is on the Board’s agenda for the July 12th meeting to place liens on lots where 2009 assessments have not been paid. These liens greatly increase your debt as you are then liable for the cost of preparation and recording the lien. Your assessments are essential to maintain the value of our neighborhood amenities. I am also proud of the fact that our neighborhood pools are one of the few that has lifeguards on duty while open, but this service costs the association.

Continue to report suspicious activity in the neighborhood to either me or Paul Hodges. The association board has authorized Guy DeMarco, a former NYC policeman and now teaching criminal justice at FHS to patrol our common areas—especially the parking and pools late at night. We want, and expect, our common areas to be available for enjoyment to all of us and our children, but let your teenagers know that after dark they may be asked to justify why they need to be at our picnic tables or parked at a pool/clubhouse that is not open for use. Mr. DeMarco has found children who have climbed over the fence to get into the pools late at night. This was prior to the end of school and when he knew them by name, word spread at our Farragut schools that VG was patrolled and one never knew who might be watching.

**Swim Team News**

Gators in the Water!
Coaches Anita, Robin, Ben, Ashley and Drew are instructing and encouraging a team of around 200 swimmers this summer! After being rained out on June 4, the annual Green and White meet happened on Saturday, June 6. The Gators are excited to celebrate the first victory of the season, against Knoxville Racquet Club on June 11.

Results of the other 4 swim meets in late June will be reported in the next newsletter.

Smoky Mountain Meet is July 11 and 12 at Springbrook Pool in Maryville. City Meet is July 24-26 at UT.

Swim team families, remember to check your family file folders daily. And everyone please drive carefully near the Monticello pool during morning practice time.

**July 4th Treat**

Don’t Forget! After the 4th of July Parade, stop by the Clubhouse for lemonade and ice cream. See you there!!!!

The Pool Opening Party was a huge success. Over 100 people attended, exceeding the expected turnout; so additional food and beverages were procured.

**VG Book Club**

The next meeting will be Monday, June 29th at 7pm at Jennifer Arthur’s home address: 526 Old Tavern Circle. The book to be discussed is "A Walk in the Woods" by Bill Bryson.

Next time you see Tim Doyle (or his teenage kids) thank him for putting up our “No Solicitation” signs and the new street signs that continually replace our signs that wear out. Next time you see Bob Hunter thank him for keeping up with our clubhouse use—you would not believe the almost daily use our clubhouse gets. Next time you see Jon Zetterberg or Jim Jameson thank them for the constant attention/work that they do to keep our pools in good repair and operation. Next time you see Amanda Metzelder thank her for our great pool party that started our pool season. Neither Rick nor Bobby needs thanking as they were there simply to show off their Green Eggs. Next time you see John-Paul Renier thank him for his diligence and attention to detail in all that he does to keep our neighbors’ fences and properties in compliance with our restrictions. Next time you see Richard Green thank him for his time and expertise in the years of service he has given board after board in helping with architectural review. Next time you see Dick Woodring thank him for his work to see that this newsletter gets printed and mailed each month. I could go on with my “thank you” suggestions, but many in your neighborhood devote a lot of time and effort into seeing that it is one of the best communities in Knoxville to live in, and it is nice to stop and thank folks from time to time.

As always, if you have concerns or see issues that need addressing, don’t hesitate to telephone me or the board member you know. We welcome neighbors at any of our board meetings, the next of which is July 12, 2009 at 7PM at the Village Green clubhouse.

Barton Kaserman
Sherry Hunter will be offering swim lessons this summer. Lessons are planned for babies, children, and adults, beginning in June. For more information (and for pictures), go to www.VillageGreenWeb.com, click on Activities, and then click on Swim Lessons. To register, please send an email to Sherry at SwimTeacher@gmail.com with your contact information, the swimmer’s name and age, and current water skills (head under, jumps into water, etc.). Indicate known dates you won’t be available (e.g., VBS, trips, etc.) and preferred times for lessons (morning, afternoon). Or, you may contact Sherry Hunter directly at 966-3305. If you are interested in water aerobics, please email Sherry with your name and preference for mornings or evenings.
