Independence Day Ice Cream Party

Village Green families gathered at the clubhouse after the Farragut Independence Day parade for ice cream with various toppings and sprinkles.

Pool Schedule Changes August 13

With school starting on Tuesday, August 14, the lifeguards will no longer be available in the mornings or early afternoons. So beginning on Monday, August 13, the pool opening times during weekdays will change to 4:30 pm for both pools. In addition, there will be no more early morning lap swim at the Monticello Pool. Opening times for the weekends will continue to be the same.

You can see the latest schedule at the bottom of the calendar page in this newsletter.

Attention New Residents

If you have moved to Village Green recently, please contact the homeowners association secretary, Bob Hunter, at 300-8871 or vgha@VillageGreenWeb.com. Bob publishes our newsletter and would like to include you in the new resident section. In addition, some of the information is used in a residents' directory.

Helping in the Neighborhood

Dick and Caroline Woodring have traditionally placed seasonal decorations at the Campbell Station entrance to Village Green. We appreciate their dedication and that of others who pitch in to make our neighborhood one of the nicest in the area.

Scooter's Adventure in Village Green

Scooter had an adventure in his new neighborhood of Village Green recently. He went out front for a quick trip to the grass and found himself racing off to the clubhouse pool where children were playing. When a family of four was leaving, he tagged along with them. Scooter's owners, the Wilmoth family, notified Bob Hunter, the Village Green webmaster who is the person that sends out the email alerts to the neighborhood. Within minutes, Scooter was reunited with his family.

If you aren't on the Village Green Email Alert List, you can add your email to the list at www.VillageGreenWeb.com/email.

Gardening Ideas
from Garden Club

August 2012

Cut flowers for drying (gather in heat of day.) Continue spraying of roses but discontinue feeding early in the month. Water azaleas and camellias and other plants when necessary. Prepare lawn for fall seeding. Spray programs should be followed closely. Watch for new pests, they peak in August. Turn compost heap every few weeks to aid decomposition. Start geranium cuttings in sand. Keep weeding.
